Item # - PCNWS-2020

Coronado™

Natural Woven Shades

61 Exquisite Fabric Choices

- 21 of your favorite Coronado patterns plus 40 new fabrics
- Color offerings have been updated to include brighter whites, beautiful grays, and natural tones.

10 Edge Banding Colors

- Navy Blue has now been added to the color options.

New Lining

- Off-white backing is now standard on all liners, privacy and blackout. All lined shades will be neutral to the outside.

Multiple Operating Systems Available

- Standard, Cordless, Loop Control, Motorization, Top Down/Bottom Up, Dual Shade, and Two on One

Cordless

- New minimum width of 20"
- Easy Tension Adjustment

Loop Control

- Now available mounted on a 1 1/2" Headrail with a Slim Clutch (for most shades up to 72" x 72")
- Regular Clutch is still available for wider, heavier shades and will be mounted on the wider 2 1/2" Headrail (shades over 72" x 72")
- Traditional woven wood brackets will now be used to install all Loop Control Shades. Bracket placement must be 3" from each end of headrail.
- New Tension Device allows for more placement options resulting in better chain operation.

Revised Fabrics

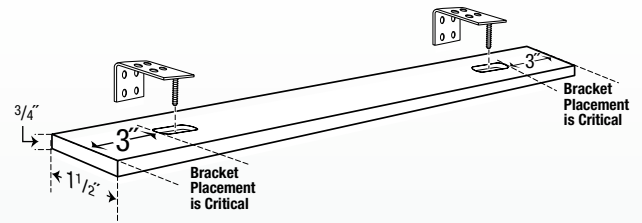

Grand Dunes - Great White B2269 replaces Whitewash B2268

Catalina - Whitecaps B2311 replaces Cream B2310

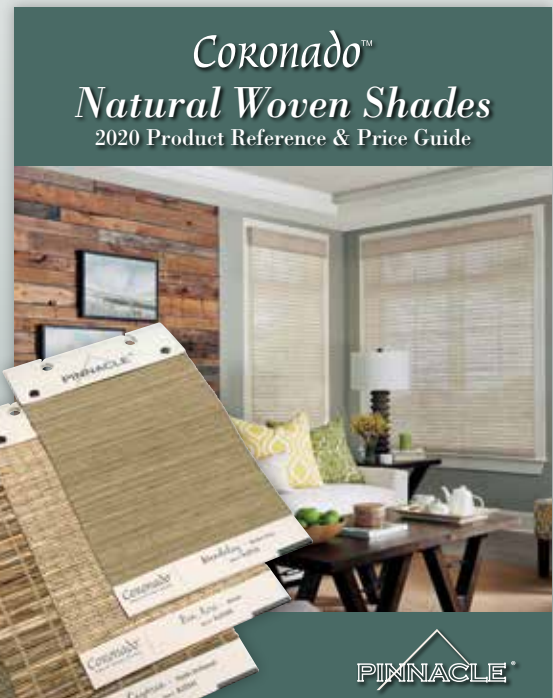

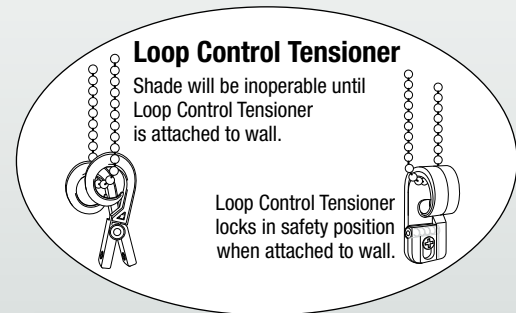

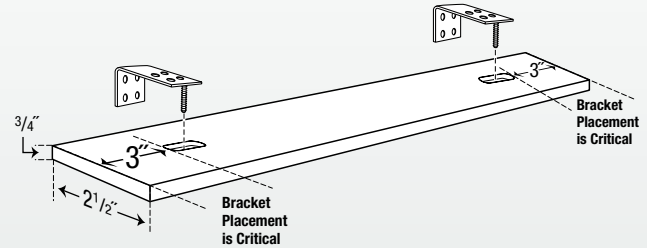

Alturas - White Rice J271 replaces Rice J270

BEFORE DISCARDING OLD SAMPLES, please review the fabric listing in the 2020 Coronado Price and Reference Guide. Fabrics from your previous Coronado Sample Book may still be available. To manage the size of the book, some fabrics are not sampled in the new book but may still be available. Confirm availability before ordering.
